Cabled Baglet Errata

Here are the correct instructions for the Celtic Braid (including abbreviations) used in the Cabled Baglet pattern published in 101 Designer One-Skein Wonders. Storey appears to have taken down their correction. This error was introduced during the editing of the pattern, which I had no control over. I wasn't given a chance to review the changes before the book went to print, and I apologize profusely for any inconvenience.

Stitch Patterns

C4F: Slip 2 sts to cable needle and hold in front, k2, k2 from cable needle.
C4B: Slip 2 sts to cable needle and hold in back, k2, k2 from cable needle.
