*Thick black lines indicate the Feather Lace Pat reps (sts 16-21 and sts 48-53). On the first time through Rows 1-24, each pat rep will be worked once. When working Row 1 the second time through, sts 16-21 will be repeated 5x before working sts 22-47, and then sts 48-53 will be repeated 5x before working sts 54-67. When working Row 1 the third time, sts 16-21 will be repeated 9x before working sts 22-47, and then sts 48-53 will be repeated 9x before working sts 54-67. It may be helpful to place st markers on either side of each pat rep on each working of Row 1, making sure these markers are distinguishable from the markers setting apart the Feather Lace Pat from the center st (indicated by red lines) and edging sts (indicated by green lines).*
